# Elevating Arts & Culture

# join EFA

# our mission

The mission of EFA is to partner with the City of Encinitas by fundraising and advocating for arts in Encinitas and city owned arts venues.

Established in 2014, EFA is helping Encinitas to blossom as a cultural arts hub for the greater North County San Diego area. We work to increase cultural programming, help drive arts education (particularly for the underserved), and support the installment of public art.

# who we are

## Cultural Events

### Passport Series

EFA presents events in partnership with the City of Encinitas Cultural Arts Division that raise awareness and celebrate the diversity that exists not only in Encinitas, but throughout San Diego County.

### Encinitas Dia De Los Muertos

Drawing thousands every year with art-making workshops, Folklorico, mariachi, and a “Community Ofrenda,” a public recognition of family and friends, Dia de los Muertos is EFA’s most popular cultural event.

## Arts Education

### Ballet Folklorico de San Dieguito

The dance program provides dance education to socioeconomically disadvantaged children and youth, ages 7-16. EFA fundraising assists with instructional costs and costumes, giving valuable access to quality dance education.

### Student Advisory Council

Consisting of high school students who are committed to increasing the visibility of the arts at their schools, this council advises the board on programs and priorities to increase arts engagement among their peers.

### Mariachi Band

The proposed Mariachi band program will provide music education to socioeconomically disadvantaged students, ages 9-18.

## Public Art

EFA supports local artists, arts organizations, and the City of Encinitas, to bring public art to Encinitas, through advocacy and fundraising activities. EFA recently installed *Orpheus*, by artist Jeffery Laudenslager, at the K Street Parkway.
