

## 2021 Encinitas Dia de los Muerto October 30- 12-4 PM- Encinitas Community Center

1140 Oakcrest Park Dr, Encinitas, CA 92024

### Face painting Contest Rules

Join Encinitas Friends of the Arts in celebrating one of the most festive traditions of Día de los Muertos by painting your face like a true calavera. Calaveras, or skulls, are a popular symbol of the holiday and often appear in stunningly beautiful designs. They remind us that death should not be feared, but celebrated as part of the cycle of life.

As you create your unique skull design, you're taking part in a celebrated Día de los Muertos tradition that often represents:

- Our mischievous sides
- Remembrance of loved ones
- The richness and art of this celebration
